EXT. HOUSE - ROOF

The Roof of a house, complete with Chimney. The roof has snow on it and it is still snowing lightly.

The *Flurry* appears on top of the chimney, blocking it.

MEANEY

Wow! Look at all that snow out there, Llew! It must be Christmas!

LLEWELLYN

Chris-what?

MEANEY

Christmas. Y'know, annual winter celebration with religious origins. Presents, tinsel, that sort of thing.

LLEWELLYN

No, I don't know.

MEANEY

Oh. Didn't you have anything similar back home?

LLEWELLYN

We had an annual winter festival called Freeze Day. On the coldest day of the year, all the kids had to go outside in their underwear and see how many hours they could last before freezing to death... it was horrible.

MEANEY

Really?

LLEWELLYN

No. Now, can we get out of here already? I'm starting to get frostbite.
